

BUILDERS CHOOSE COMPOSITE DECKING PRODUCTS FOR THEIR FLEXIBILITY, NEW PATTERNS AS WELL AS LOOKS THAT EMULATE NATURE. PHOTO COURTESY OF GEODECK.

GEO DECK
WWW.GEODECK.COM

Supported by third-party, independent testing, GeoDeck composite decking has best-in-class ratings for mechanical strength and color retention, absorbs less water and has a lower weight-per-foot. GeoDeck's overall performance is unmatched in the decking industry!

LATITUDES
WWW.LATITUDESDECK.COM/BDN :: 866-910-9443

Latitudes Capricorn® brings home the exotic look of tropical hardwood in one ultra-low maintenance composite deck board. Featuring two tropical colors, adobe and koa, Capricorn features a reversible woodgrain finish that is virtually impervious to stains and fading.

LIFETIME LUMBER
WWW.LTLUMBER.COM :: 877-285-4338

Ideal for building decks, docks and fences, LifeTime Lumber offers the aesthetic attributes of wood while solving the problems of degradation, weathering and perpetual maintenance. This eco-friendly product is made from 65 percent pre-consumer recycled material and is naturally fire resistant.

AZEK
WWW.AZEK.COM :: 877-ASK-AZEK (275-2935)

AZEK® Deck features the look of tropical hardwoods with the Arbor Collection, in three colors with a subtle wood grain including Acacia, a rich walnut brown; Morado, a light brown similar to Ipe; and Redland Rose, with warm reddish hues.

CAPITAL
WWW.CAPITAL-LUMBER.COM

Capital is the leading distributor of specialty building materials in the Western United States, distributing composite decking products by leading manufactures including Azek, TAMKO and Trex.

MCFARLAND CASCADE
WWW.MCFARLANDCASCADE.COM :: 800-426-8430

Terratec Naturals™ premium composite decking offers two big advantages: it's made with rice hulls not wood fillers for superior performance, and its unique installation system prevents butt-joint gaps and uneven deck edges.

BIGFOOT SYSTEMS INC.
WWW.BIGFOOTSYSTEMS.COM :: 800-934-0393

Bigfoot Systems® Inc. proudly announces our inclusion into Simpson Strong-Tie® DeckTools® deck design software. Bigfoot is their Footing Form of choice. Reduce labor costs by as much as 90%. Build it with Bigfoot®

DIGGER SPECIALTIES
WWW.WESTBURYRAILING.COM

Westbury® Aluminum Railing is now offered in the new Riviera (C30 Series). With 6 models, 2 heights, and 9 standard AAMA 2604-05 colors, there is a design to fit every lifestyle.

MOISTURESHIELD DECKING
WWW.MOISTURESHIELD.COM :: 866-729-2378

Tough and beautiful, moisture-resistant MoistureShield® Composite Decking is made from 90% pre- and post-consumer recycled content for environmentally friendly decks. The Vantage Collection balances performance and cost, is available in eight colors and comes with a limited lifetime warranty.
